Log Rolling.

PALESTINE, TEXAS, Feb. 8, 1904.

Editors Herald, City.

Dear Sirs:—The East Texas Log Rolling will be pulled off in Palestine on the fourth Thursday in July, and with the large attendance and the presence of some of the Sovereign Camp officers, promises of which have been secured by the Log Rolling committee, we expect this to be a great occasion for Woodmen of the World. We trust all Anderson county camps will join in making this the banner Log Rolling for East Texas. The following officers were elected at the Henderson meeting of the East Texas Log Rolling association:

J. E. Gould, Tyler, president.
Mr. Moore, Henderson, vice-president.

B. G. Wilson, Denson Springs, second vice-president.

W. H. Nance, Palestine, treasurer.

J. H. Guyot, Palestine, secretary.

B. B. Milburn, Palestine, committee-man.

Woodcraft is flourishing in Palestine, and all Woodmen of the World not members of the East Texas Log Rolling Association are respectfully invited to become members and take part in making this usually great affair greater and grander than ever before.

Fraternally yours,
D. L. RAINEY,
Correspondent Sycamore Camp No. 26.

FOR SALE.

A desirable 8 room two-story house, reasonably close in, on Magnolia street. East front; modern. This place will be sold. If location interests you call at office.

SAM HOWARD,
Telephone 48. Agent.

My store has been worse than confusion the past two days, tearing out petitions, hammering, sawing, knocking, etc. But the work of extending my building will soon be completed, giving me double the room, and one of the prettiest storehouses in Palestine. I just had to have more room or move. My growing business demanded it. In the meantime, I have been doing business right along.
J. S. TEMPLE, The Grocer.

New Grocery Store.

Messrs. J. B. Spencer and W. H. Nash will embark in the grocery business in the new Link-Murphy building, next door to the postoffice, about March 1. The stock has already been bought, and as these men are both popular and hustlers they will no doubt do a good business. They have a splendid location.

Shots Entertained.

Messrs. Marshall, Rollo Heikes, Horace Heikes, C. W. Budd, Turney Hubby and W. H. Heer, members of U. M. C. Southern Squad, were royally entertained at Crystal Lake by Messrs. J. E. Copeland, Hyman Pearlstone, W. M. Lacy, P. B. Ezell, F. C. Bailey, Frank Lacy, H. G. Ezell and A. M. Rich.

The Messrs. Heikes are expert bango and mandolin players and delighted the party with a number of late selections, while Capt. Marshall, the mayor of Keithsburg, Ill., who was the captain of the All American Team that toured England, Ireland, Scotland and France in 1901, winning all events, delighted the crowd with numerous interesting stories of their travels abroad.

The visitors expressed themselves as being highly pleased with the hospitality and courtesy extended them by the above named gentlemen and other citizens of Palestine, and voted Crystal lake an ideal spot. Doubtless these gentlemen will long remember Palestine for the pleasant time spent here, as well as for having broken the world's target record in this city.

Mr. Turner E. Hubby of Waco, the only Texan on the team, has many friends in the city, and is one of the most popular men of the squad, as well as one of the best shots.

CLAIRVOYANT

R E A D I N G S

KHIRON.

He drives doubt from your mind and slays skepticism at First Glance. His wonderful Clairvoyant powers are almost beyond belief. You will be astonished and mystified at the remarkable things he will tell you concerning yourself and others, you are interested in. Mr. KHIRON is today probably the one being of Caucasian blood who can command the occult intelligence and the first alien to be thoroughly initiated into the mysteries of the mahatmas. He stands alone, possessing a Force, a Power, a Gift—call it what you will—that none can explain, none can account for.
